

MPAS-Dev:ocean/develop

The diagram illustrates the branching strategy for MPAS. It features two main horizontal blue arrows representing branches. The top arrow is labeled 'MPAS-Dev:ocean/develop' in a green box. The bottom arrow is labeled 'MPAS-Release:master' in a green box. A blue circle on the 'master' branch is labeled 'v3.0' in a light blue shield-shaped box. A black line branches off from this circle, labeled 'feature branch', leading to a sequence of three yellow circles connected by horizontal lines.
